Por venir de un alto rango
a esta danza llaman "Ñango"
y es por ser alegre y tan vivàz.
Si lo baila con empeño
le resultará un ensueño
si es que goza siempre su compás;
ritmo loco tiene el "Ñango"
Sabe usted lo que es un "Ñango" ?
Es un "coctel" fuerte por demás, pero muy sabroso
preparado con un beso,
uno lleno de embelezo
salpicado con mucho compás...

Bailando,
quitará su mente de cuanto le sea triste
en su santiamén;
Bailando,
notará que aún la alegría aquí siempre existe
pensándolo bien;
Y por eso todos por igual al son de un "Bango"
se van hasta Pango - Pango
a gozar inmensas horas y a bailar el "Ñango"
